P-E COURSE CODE: TROHS 009(WHS)

Dangerous Goods & Hazardous Chemicals Foundation Courses (Work Health & Safety)

Model Work Health and Safety laws (WHS Act and Regulations) produced by Safe Work Australia have been adopted in New South Wales, Queensland, the Australian Capital Territory, the Commonwealth and the Northern Territory, South Australia and Tasmania. However, adoption of these laws has been delayed in jurisdictions of Victoria and Western Australia. Transitional arrangements will vary depending on the specific regulations and for the individual jurisdictions.

NOTE: [Victoria's Dangerous Goods (Storage and Handling) Regulations 2012 and Code of Practice for the Storage and Handling of Dangerous Goods 2013 is covered in a separate Workshop].

These workshops will provide an introduction and update on Dangerous Goods and Hazardous Chemicals legislation including the Storage, Handling and Transport of Dangerous Goods, Segregation, Placarding, Manifests, and Hazardous Chemicals / Hazardous Substances.
